Temple Solel Hebrew School Ozrim Evaluation Procedures

Ozrim Evaluations are to be completed and turned in once a year. Teachers will be asked to submit evaluations some time in mid to late January. Concerns that arise before then should be handled by the teacher, with assistance from the Hebrew School Coordinator as needed.

In the rare event that an ozer/et does not improve when s/he receives an unsatisfactory evaluation, the following steps will be taken:

1. If an ozer/et receives an unsatisfactory evaluation, the teacher will request a meeting with the ozer/et two weeks after the evaluation is received.
2. If the ozer/et does not improve in the area/s suggested on the evaluation form over the course of those two weeks, the ozer/et's parent is called.
3. If the ozer/et does not improve during the two weeks following the meeting, the ozer/et will be asked to discontinue working as an ozer/et with the option that s/he can re-apply the following year.
