

Business/Dress Clothing Drive

For Veterans and their Families Including Children under 16

Now through May 31

Temple Solel's Stars and Stripes Committee (SSC) is reaching out to you for support our local military, this time via Veteran Village of San Diego's Stand Down for Homeless Veterans scheduled for June 28 - 30. The SSC has entered into an effort with the Veterans Village to provide appropriate business/dress clothing to our homeless veterans who are being encouraged to seek a civilian job.

In an effort to provide our homeless vets the wherewithal to successfully seek jobs, professional personnel will staff a tent that will provide guidance on resume writing, interview techniques, and personal appearance, which is important for job hunting.

Children's Clothing Drive - Donate gently used boys and girls clothes, shoes, PJ's, and socks. Ages 3-15.
